# Hilti SB 4-A22

The Hilti SB 4-A22 Cordless Band Saw is a compact, battery-powered saw designed for fast and precise cutting of metal and plastic materials. Its low-profile design makes it ideal for tight spaces, while low noise, minimal debris and reduced sparking make it well suited to installation and maintenance work.

## SPECIFICATIONS

- Rated Voltage: 21.6 V
- Weight: 4.3 kg
- No-Load Speed: 167 m/min
- Maximum Cutting Depth: 63.5 mm
- Blade Dimensions: 733 × 12.7 × 0.5 mm / 733 × 12.4 × 0.35 mm
- Sound Power Level: 84 dB(A)
- Sound Pressure Level: 73 dB(A)
- Vibration (Metal): 1.5 $m/s^2$
- Vibration (Wood): 1.3 $m/s^2$
- Operating Temperature: –10°C to 50°C

## FEATURES

- Low-profile design for easier access to tight spaces
- Cutting with low noise and low debris
- Designed for precise cutting
- Glass-fibre reinforced casing – up to four times more resistant to damage from dropping and twice as resistant to extreme temperatures than standard ABS plastic
- Built-in LED light provides a shadow-free view of the cutting area
