RIDGID Tristand 460

The RIDGID 460 Tristand Chain Vise is a portable, heavy-duty pipe vice designed to securely hold pipe during cutting, threading and other pipework tasks. Its larger work surface and rear support provide stability and a secure setup for demanding jobs.

SPECIFICATIONS

- Capacity: 1/8-6
- Vice Type: Chain
- Number of Tool Hangers: 3
- Leg Locking: Over Center Tool Tray
- Working Area: 648 cm^2
- Surface Area: 806 ^{2}

FEATURES

- Optimised base provides 40% more working surface
- Three integrated tool hangers
- Integrated ground lug for connecting the weld ground
- Self-hooking chain for 4" pipe
- Leg chain keeps legs securely in place during use and transport
- Rugged tool tray for improved stability
