Jerry Can

The 20L Steel Jerry Can is a robust, all-steel container designed for the safe storage and dispensing of a range of fuels and liquids. Its anti-glug mouth allows for fast, clean dispensing, while the secure locking pin and powder-coated finish provide added durability and protection.

SPECIFICATIONS

- Capacity: 20 litres
- Material: Steel
- Finish: Powder-coated, anti-rust

FEATURES

- Robust all-steel construction
- 20-litre capacity
- Wide anti-glug mouth for fast and clean dispensing
- Seam-welded handles for added strength
