RIDGID 246 Snap Cutter

The Soil Pipe Cutter is designed for quick, easy cutting of clay, cast-iron clay and cement pipe from 1.5" to 6". Its compact ratchet-action design makes it ideal for working in tight trenches and restricted spaces.

SPECIFICATIONS

- Weight: 25 lb / 11.3 kg
- Minimum Capacity: 1.5 in / 40 mm
- Maximum Capacity: 6 in / 150 mm
- Cutting Capacity: 1.5"–6" clay, cast-iron clay pipe and cement pipe; 4" Class 22 water main

FEATURES

- Ratchet-Action Handle: Allows cutting in narrow trenches with the handle parallel to the pipe.
- Tight-Space Design: Ideal for cutting pipe where working space is limited.
- Hand Guard: Helps protect the operator's knuckles during cutting.
