RIDGID 258XL Cutter

The RIDGID 258-XL Pipe Cutter is designed for cutting 8″ to 12″ steel pipe quickly and accurately. It displaces rather than removes pipe material, producing square cuts with minimal burrs and no abrasive dust, dangerous sparks or open flame. Ideal for preparing steel pipe for grooved joining, it can cut long lengths of pipe up to 21ft (6m) or short nipples with minimal effort.
