HILTI SB6-22 Cordless Bandsaw

The Hilti SB 6-22 Deep Cut Band Saw is a cordless tool designed for precise, low-noise and virtually spark-free cutting of metal. It offers a large 127 mm cutting capacity and is suitable for materials including stainless steel, cast iron, aluminium and carbon steel.

SPECIFICATIONS

- Base Materials: Metal, stainless steel, cast iron, aluminium and carbon steel
- Tool Body Weight: 6.32 kg
- Sound Pressure Level: 75 dB(A)
- Vibration Level (Sawing Metal): 0.8 m/s^2

FEATURES

- Deep cut band saw with advanced safety features – the extra cutting depth gives you a portable solution for even more metal/plastic sawing tasks, while the dual trigger design requires two-handed operation to better avoid accidents
- Cut in any conditions – with virtually no sparks, debris and noise, portable deep cut band saws give you a safer way to cut in occupied buildings or other sensitive environments
- High performance, low maintenance – the brushless motor delivers long-lasting power, while the keyless adjustable cutting shoe keeps you in control when slicing through larger objects
- Five speeds for efficiency and comfort – cut metal pipe, strut, threaded rod or conduit with Hilti's wide variety of easy-to-change, high-quality band saw blades
- On the Nuron battery platform – cordless tools without compromise thanks to longer-lasting batteries, energy-saving blades and a range of services to keep you more productive, today and tomorrow
