RIDGID RJ98 Pipe Stand

The RIDGID RJ-98 Stand is a sturdy, adjustable pipe support designed to make handling and positioning pipe easier. It features an ergonomic V-handle for comfortable height adjustment and a conveyor head that allows pipe to move smoothly back and forth.

SPECIFICATIONS

- Height Adjustment (Low–High): 59–104 cm / 23–41 in.
- Maximum Pipe Capacity: 300 mm / 12 in.
- Maximum Weight Capacity: 454 kg / 1,000 lb
- Model No.: RJ-98
- Weight: 10.9 kg / 24 lb

FEATURES

- Ergonomic V-handle for comfortable transport and height adjustment
- V-handle retains the V-head to the tube for quick adjustments
- Locking ring allows quick vertical height adjustments
- Conveyor head allows pipe to move back and forth
